

The figure, symbols of Victory/Nike

The wax model. Nike are my brother's author's work and the figure are positioned on the globe. The wax model are hollow and the walls thickness is about 4 mm.

In her right hand she is presenting a crown of laurels and in left hand and shoulder she is carry palmbranch.. CLASSICS. Nike step with her right foot on Corinthian helmet.

My brother make to Nike very pretty face.

Representation of Victoria's statue is a symbol of Invincible Emperor, often depicted in the Roman colonial coinage (on aureus, denarius, sestertius and colonial coinage)

Depiction of Victory on military Standard from Trajan's column.

Participation in our figure on the festival "Meeting the Emperor Septimius Severus in Augusta Traiana".
