

### **Signum disc nails depicting different emperor.**

Signum Disc nails with heads depicting of emperor very suitable for for certain historical period such as these depicting Imp. Vespasianvs, Imp. Titvs, Imp.Domitianvs, Imp. Nerva and of course Imp. Traianvs and General Germanicus.

The display of all other Imperial profiles is also an option.

Each disc with decorative nail weighs about 120 grams.

My creative wax work on this issue.

In action in our club and with colleagues from leading European clubs.
