

Stylus

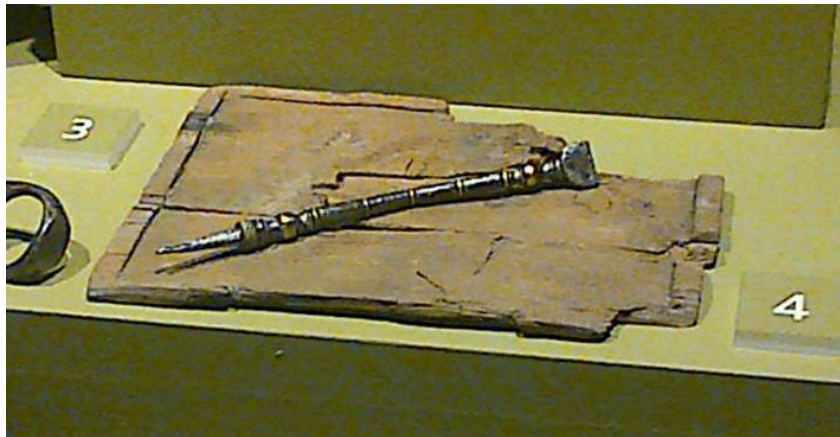

My stylus replica are very similar to those from exhibition of Limesum at Ruffenhofen.

Together with our Tabula Rasa or Tabula Carata (wax Tabula Rasa or tablet) manufactured here with us.

And to this one from Vindolanda Fort & Museum at Hadrian's Wall.

Length of my stylus is around 15 cm.

Seal boxes is my creative solution and is closely related to this project.

Imperial Seal Boxes http://legio-iii-scythica.com/images/roman_pdf/Imperial_Seal_Boxes.pdf

My stylus replica are very similar to some of these from Straubing Gaeuboden Museum.

Calliope, Musa della poesia, Villa dei Triclini, Ospitium Sulpici.

Stella from the river Drau.

Napoli Museo Archeologico
